

Experimental Drawing Supplies and Materials

Materials for Saturday am drawing:

choose your favourites, compressed charcoal, ink &/or watercolour, large cheap paper, e.g., newsprint, manilla, bond or cartridge. Brushes, large brights or flats etc.

Sunday Only: a number of sketches and figurative studies you've done perhaps at another life drawing session or on your own.

+ All of the items listed below.

Supplies For Sunday: or Items you want to incorporate into your final piece, e.g., coloured paper of any kind, recyclables, fibres, organics like leaves, moss, bark or metal, light weight chain, anything goes ...*look to your drawings for inspiration.*

The Obvious

Supports, Colours, Brushes & Applicators as required, again, anything goes!

Other materials you may need:

Gesso, Polymer Medium or other type of adhesive, e.g., white or carpenter's glue, glue-gun if you've chosen a heavier weight item[s] ...consider your chosen materials and work from there.
