

Please bring to the first class these items, only if you have them on hand, if not, I can provide them at my cost for under \$ 5.00 [bring a couple of toonies, as I have no change] ...

- Large 18 x 24" CHEAP Pad such as Newsprint, Cartridge, Scrapbook OR Manilla
- 3 colours or earth tones [dark, mid tone & light or white]  
Soft contés OR drawing stix OR pastels [sticks or pencils]
- Black ink pen [something you have lying around the house] uniball, no felt tips
- A Journal with blank pages OR several sheets of cheap copy OR blank note paper OR a sketchbook; whatever you are used to using will be fine, leave previous work inside. [if possible, please bring examples of your prior doodles or sketches]

Pencils: We will discuss pencils and all other materials during the first class ...please just bring what you have [or \$4.00 cash], DO NOT purchase anything until after our session on supplies.

NOTE TO RETURNING STUDENTS: ...please bring a project to work on while the rest of us deal with the materials; if you'd like me to suggest an exercise for the first class, pick one from your last course that involves an element that you feel weak in, *usually a value study*; or contact me by email and I'll send you one. Don't forget to bring the reference.
