

MATERIALS LIST AND SPECIAL INFORMATION

“Wednesday Evening Life Drawing” // Intro to Life Drawing

Welcome to the Wednesday evening life drawing! Have you ever done it before? Are you interested in life drawing instruction or just time on your own to draw?

Classes will be structured with suggested exercises from the instructor during the first half of each class for those who wish to follow. During the second half of the class you can choose your own approach with the instructor available for one on one and feedback at your request.

The model begins posing at 6 pm sharp! If you would like instruction, please come 10 minutes early to setup.

Materials List: Note: Drawing donkeys, easels, drawing boards, and clips will be provided.
