

Material List – Pastels – Bruce St. Clair

## SUPPLY LIST

Set of Chalk or “Soft” Pastels (NOT oil pastels). Pastel sticks can be purchased individually, but buying a set of, say, 24 sticks, or half-sticks (plus discount coupon!) is most cost effective. BUT avoid cheap sets. “Masters Pastel”, set of 24, (ArtNoise) are very affordable and a good starter set.

Pad of pastel paper; 9” x 12” is fine (Michael's, usually)

Charcoal or charcoal pencil or soft graphite pencil for drawing

White and kneaded (putty) erasers, 1/2” bristle brush (opt'l)

Cloth (for your fingers)

Other options: pastel pencils, finger protectors, blending sticks
